Boil Water Notice for Community Public Water Systems

August 24, 2026

Due to an issue related to the water well facilities causing low pressures in the water system, the Texas Commission on Environmental Quality (TCEQ) has required the City of Sonora public water system (PWS ID No. TX2180001) located at 201 East Main Street Sonora, TX 76950 to notify all affected customers, of the City of Sonora public water system to boil their water prior to consumption (e.g., washing hands/face, brushing teeth, drinking, etc.). Children, seniors, and persons with weakened immune systems are particularly vulnerable to harmful bacteria, and all customers should follow these directions).

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and ice making should be boiled and cooled prior to use for drinking water or human consumption purposes. The water should be brought to a vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, individuals may purchase bottled water or obtain water from some other suitable source for drinking water or human consumption purposes.

Delivery of the Boil Water Notices to affected customers will be done by electronic emergency notification system, posting in public places, posting on social media, posting on the City website online, and direct personal contact with the customers by PWS staff.

When it is no longer necessary to boil the water, the public water system officials will contact and notify affected customers that the water is safe for drinking water or human consumption purposes.

Once the boil water notice is no longer in effect, the public water system will issue a notice to customers that rescinds the boil water notice in a manner similar to this notice.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions concerning this matter, you may contact the City of Sonora, Charlotte Mc Elwain or Sonora City Hall at 325.387.2558.
